

GOVERNMENT OF GOA
DIRECTORATE OF FIRE & EMERGENCY SERVICES

CITIZEN'S CHARTER

This Charter seeks to provide a frame work which enables the people to know :

What services are available in this Department, the quality of services they are entitled to and the means through which complaints regarding denial or poor quality of service will be redressed.

PREAMBLE

Fire has been viewed as a force both beneficent and destructive. The destructive potential of Fire poses a threat to our life, property and resources and it has been a major reason for the destruction of life as much as it has been a vital means and source of sustenance for mankind. The role of public fire protection service is to save life and property from fire and allied incidents and to minimize the outbreak of fires and its consequential loss within the jurisdiction of its responsibilities. With this end in view, the Directorate of Fire Services was established in 1984 to provide an efficient and effective fire and emergency services to aid people in distress and to protect the gains accrued through our sustained efforts in the State of Goa. Some of the major measures taken by the Government for development of Fire Services are :

1. Enactment of Goa, Daman and Diu Fire Force Act - 1986
2. Goa State Fire Force Subordinate Service (Discipline and Appeal) Rules - 1989
3. Goa State Fire Force Rules - 1997
4. Scheme for grant of Award/Rewards to Fire Service Personnel - 1997
5. The Goa Chief Minister's Fire Service Medal Rules - 2000
6. Grant of ex-gratia lumpsum amount in the case of disability in service to Fire & Emergency Services Personnel Scheme 2014. - 2014
7. Goa State Fire Force Subordinate Service (Discipline and Appeal) (First Amendment) Rules, 2015 - 2015

The department generally attends emergency calls, which are not directly connected with fire, in order to help the people in distress. Over the years, it has attained a multi-dimensional role in saving and protecting life and property of the people with its activities in Fire Prevention, Fire Suppression and Training.

Directorate of Fire and Emergency Services has always handled challenges posed to it with dexterity and in the process upholding its cherished Motto "We Serve to Save" and living up to its reputation as a dependable Civil Emergency Force of the State.

I am sure the information given in the Charter will be useful and provide an insight to the public about the command structure and working of the Fire Force.

Sd/-

(ASHOK MENON)
DIRECTOR
FIRE & EMERGENCY SERVICES

PANAJI

Date : 31.01.2017.

MISSION/VISION STATEMENT OF THE DEPARTMENT

VISION :

To raise the level of Prevention and Preparedness so as to minimize loss of life and property in the State from fire and non-fire emergencies and to inculcate safety consciousness among the general public.

MISSION :

Enhancing the capacity in terms of men and materials to be able to realize the Vision;

Developing Fire and Emergency Service as a Service Provider for reaching help to the people in distress, for all hazard purposes;

Ensuring community safety and enriching the members of the profession through training and education for preventing and mitigating the Fire loss to facilitate improved public safety.

OBJECTIVES OF THE DEPARTMENT

1. To prevent and suppress unwanted fires by rendering prompt and efficient services so as to keep the loss of life and property to the minimum.
2. To conduct fire safety inspection in hazardous occupancies and to advise Management so as to reduce risk by fire.
3. To impart training in Fire Prevention, Fire Fighting and Fire Protection.
4. To implement fire safety regulatory measures under Fire Service Rules for uses of places and trades for purpose involving risk from fires.
5. To provide standby protection at large gatherings and important public and private functions.
6. To provide Ambulance services to rush the injured and sick to the hospital during accidents and also to private persons on exigencies on payment as per rules.
7. To check installation of Fire Protection measures and carry out Fire Fighting and responding to non-fire emergencies due to natural and man made disasters.
8. To prevent loss of life and property from fire and non-fire emergencies like highway motor accidents, building collapse, land slides, still water rescue, Industrial hazards, spillage and toxic release, inter-alia technological hazards and to render humanitarian services and special services.
9. To promote Community based preventive and coping strategies for all kinds of emergencies including fire etc.

GENERAL INFORMATION

The Goa State Fire and Emergency Services constituted under the Goa State Fire Force Act 1986 is headed by the Director with its Headquarters and Logistic Centre at Panaji. Besides fulfilling the main objectives of fire prevention, fire protection, fire fighting and rescue, the department generally attends people in distress. Over the years, it has attained a multi-dimensional role in saving and protecting life and property of the people with its activities in fire prevention, fire protection, fire suppression and training. The department is being developed to provide effective fire and emergency cover to the people and property in the State. The approved strength of the Goa Fire and Emergency Services is **1088** including Officers and administrative staff. It provides round the clock services with the set up of 14 Fire Stations located in the township of the

respective local Bodies/Municipalities viz; Panaji, Vasco, Mapusa, Pernem, Pilerne, Ponda, Kundaim, Old-Goa, Bicholim, Valpoi, Margao, Verna, Curchorem and Canacona.

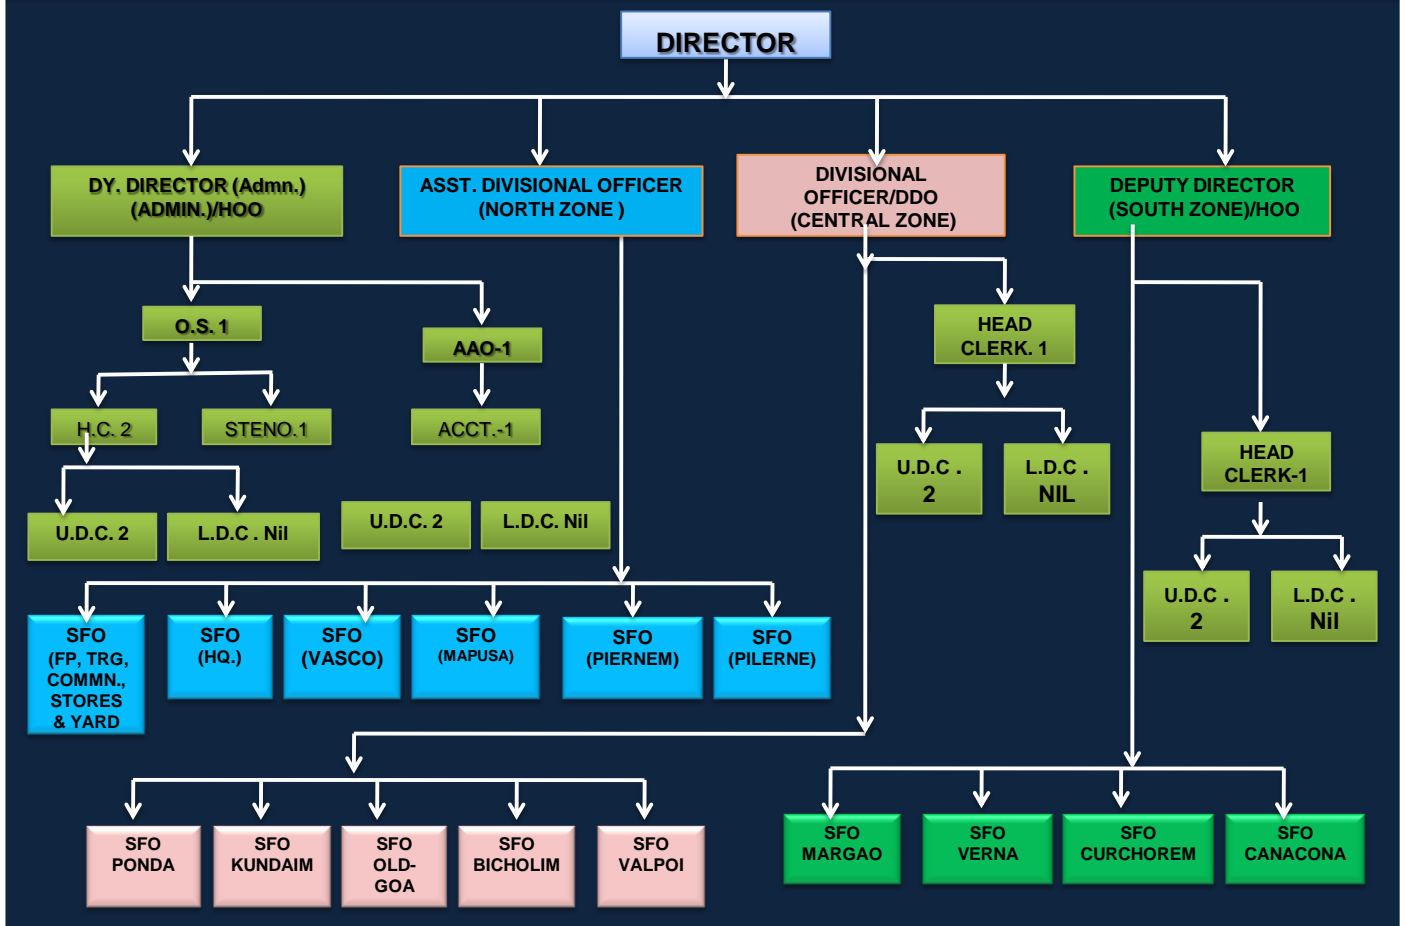

The Department has decentralized the administrative work into three Zones viz; South Zone, Central Zone and North Zone. The Deputy Director (Fire) and Divisional Officer has been declared as Head of Office and Drawing and Disbursing Officer respectively for South Zone and Central Zone. The operational control of South Zone, Central Zone and North Zone are under the control of Dy. Director (Fire), Divisional Officer and Asst. Divisional Officer respectively. The Fire Stations under the Jurisdiction of South Zone, Central Zone and North Zone are as below:-

Dy. Director (Fire), South Zone	Under jurisdiction of Fire Station Margao, Curchorem, Canacona and Verna
Divisional Officer, Central Zone	Under jurisdiction of Fire Station Ponda, Valpoi, Bicholim, Kundaim and Old-Goa
Assistant Divisional Officer, North Zone	Under jurisdiction of Fire Station Pernem, Mapusa, Pilerne, Panaji and Vasco.

Each Fire Station is headed by one Station Fire Officer/Officer-In-charge. The Officer and Fire Personnel on duty at the respective Fire Station will be the first responder for all types of Fire/Emergencies which include natural and man-made disasters.

The Administrative and Accounts section of the department are supervised by the Dy. Director (Admn.)/Head of Office and Assistant Accounts Officer/Drawing and Disbursing Officer. The overall control of the Directorate of Fire and Emergency Services is vested with the Director, Directorate of Fire and Emergency Services.

EXISTING ORGANISATIONAL CHART

FIRE PREVENTION AND TRAINING

The Fire Prevention Cell renders technical advise in fire safety management to Industries and also responsible for fire safety inspections in occupancies as required under statutory requirements to prevent the outbreak of fires and minimize its consequential loss. While we give preponderance in prevention of fires by raising awareness among people through public relation cell with the help of audio-visual aids, regular training is imparted to industrial and in-service personnel in Fire Safety Management. We have established a training centre at Panaji, where tailored training courses for various categories of staff are being conducted on regular basis. Presently **34943** candidates from different parts of the country have attended various types of courses ranging from 1 day training to 6 months strenuous General Fire Prevention and Fire Fighting Course at the Fire Force Training Centre, located at St.Inez, Panaji. Government of India has also identified the Goa State Fire Force Training Centre as a Regional Training Centre for conducting Junior Officers course of the National Fire Service College, Government of India, Ministry of Home Affairs, Nagpur.

As a part of raising the Fire Safety Awareness in the Primary School in the State of Goa, the Directorate of Fire & Emergency Services, Directorate of Education (State Council of Educational Research and Training (SCERT) and Underwriter Laboratories (India) launched a campaign “**Safer School Safer India**” on 14th April 2015.

This intensive campaign is for enhancing the awareness level of Primary School Children and through them their families on Safety Culture. The Training module is designed to create interest in children at primary level (Ist to IVth) and involve them in activities which will lead to Fire Prevention and Fire Safety learning. The porgramme commenced in November 2015 and till date **144** Primary Teachers from **50** Schools have been trained in “**Training of Trainers**” Programme who in turn have trained **11,301** number of Primary School Students of Tiswadi, Bardez, Ponda and Quepem Taluka.

The following courses are conducted at the Goa State Fire Force Training Centre:

Sr. No.	Name of Course	Duration	Capacity / Strength
1	External Sub-Officers Course of National Fire Service College, Ministry of Home Affairs, Nagpur	6 Months	30

List of services being provided by the public authorities with brief write-up on them :

Sl. No.	Services provided	Brief Write-Up
1.	Attending to Fire calls	Every Fire Station has at least two Fire Tenders ready to respond to Fire calls, round the clock. In case of need for specialized and sophisticated equipment these are dispatched from the logistics Centre at Fire Force Headquarters. An ambulance is also provided at each Fire Station.
2.	Attending to Emergency/Rescue calls	In routine emergencies like children or disabled persons accidentally locked up in homes or high rise buildings, the Fire Fighters at nearby Station respond to the calls. But in Natural or Man-made calamities, special teams with sophisticated equipment from Logistic Centre reinforce the local Station's efforts. In very special cases like Air crash, Fire at Oil Tank Farms, etc. the State Fire Force co-operate and supplement the work of special Fire Services of the concerned authorities.
3.	Issue of Fire Reports	After a Fire incident has been brought under control, the causes of the fire, extent of damage and loss of life if any, as well as obvious lapses in safety precaution are investigated and formal report prepared and submitted to the higher authorities.
4.	Issue of No Objection Certificates for High Rise buildings and Business Establishments	The Goa Fire Force Act 1986 and Rules made there under have specified that high rise buildings and business establishments carrying on hazardous occupations shall obtain prior No Objection Certificate from the Fire Department and comply with the safety precautions specified in the Rules and National Building Code.

5.	Pumping jobs	In special circumstances, the Citizens may request the services of the high power pumps from the Fire Force. These will be made available if spare from Fire Fighting duty and a service charge, prescribed under the Fire Force Rule will be charged.
6.	Providing fire equipments/ appliances on Hire	Fire Fighting equipment and appliances may be hired by the public for occasions like film shootings, fairs, sales, etc. on payment of prescribed fees.
7.	Attending calls outside the State.	State Fire Force Authorities co-operate on mutual basis by deputing personnel and equipment on request from neighboring States. Costs are recovered as per prescribed rates. In the case of major calamities, the State Government may offer such services as its contribution also.
8.	Imparting Training to in-service personnel and candidates sponsored by private/Government institutions.	The Fire Force Headquarters has a Training Wing. All freshly recruited operational staff undergo a six month's induction training in Basic Fire Fighting, drill and respective functional skill. Periodical departmental examination evaluates the extent of learning. Passing these exams is mandatory for promotions, except when exempted under orders of the Government. Qualified hands are periodically deputed to the National Fire Service College, Nagpur for equipping them with competence for supervisory and management functions as well as specialized skills on the operational side. They are also deputed to other National level training centres in Civil Defence, Disaster Management, etc. The training wing conducts several other courses of long and short durations as per details given in "OTHER INFORMATION".
